ABOUT ME

As a passionate and driven software engineering student, I possess a solid foundation in programming languages, algorithms, and software development methodologies. Eager to contribute my skills and learn from experienced professionals in the industry. Seeking opportunities to apply classroom knowledge to real-world projects and continuously grow as a software engineer.

EDUCATION

MOINPUR BOHUMUKHI HIGH SCHOOL

2013 - 2018

SSC

Highly motivated and technically adept high school student with a passion for software engineering. Eager to leverage skills in programming, problem-solving, and teamwork to contribute effectively in software development projects. Committed to continuous learning and growth in the field of computer science.

MC COLLEGE

2018 - 2020

HSC

Enthusiastic and driven software engineering student with a passion for problem-solving and innovative technology. Currently pursuing [insert degree program] at [insert college/university], where I've developed a strong foundation in programming languages such as [mention relevant languages]. Eager to apply my skills and knowledge to real-world projects and contribute positively to the field of software engineering

SHAHJALAL UNIVERSITY OF SCIENCE AND TECHNOLOGY

2022 - Present

SOFTWARE ENGINEERING

Dedicated and motivated Software Engineering student seeking internship opportunities to apply academic knowledge and further develop practical skills in a dynamic industry environment.
